By: Human Services Director

Introduce for public hearing/meeting on August 26, 2020

The reason this item is being requested as an Administrative Matter:

To amend subrecipient contract amount.

ADMINISTRATIVE MATTERS EMERGENCY ITEM

C. 20-00836

Authorization for the Mayor-President to apply for, accept and execute and appropriate grant agreement awarded under the Lead Hazard Reduction Grant Program. Acceptance of these awards are contingent upon approval by the Grants Review Committee and an adoption of a line item budget.

By: Mayor-President's Office

The reason this item is being requested as an Administrative Matter:

Preserving the existing housing stock as well as creating safe and habitable environments is of utmost importance to the City-Parish administration. The Lead-Based Paint Hazard Reduction (LHR) Grant Program is to maximize the number of children under the age of six protected from lead poisoning by assisting units of local government like the City-Parish in undertaking comprehensive programs to identify and control lead-based paint hazards. The City-Parish was recently apprised of this much needed grant opportunity. The submission deadline for the grant application is August 24, 2020. There is only one (1) metro council meeting prior to the deadline for submission. Consideration of this request as an emergency item is being made for these reasons.
